Heinz Loew, Edmund Collein, Versuchsreihe aus dem Unterricht in der Plastischen Werkstatt unter Joost Schmidt, Bauhaus-Archiv Berlin

## Focus

"Focus" puts a spotlight on current topics, objects, documents or artists, giving special attention to them for a short period of time. Highlighted are individual pieces from the collection which are otherwise inaccessible, supplementary information related to present exhibitions, or contemporary positions in art, design and architecture.

Light Installation, 2010

## Long Night of Museums 2010

Please have a look at the [photos of the Long Night of Museums.](#)

Bauhaus\_Werkstatt: Raumlabor

## **Bauhaus\_Werkstatt: Raumlabor**

In co-operation with the "Pestalozzi-Fröbel-Haus" our project "Raumlabor" causes occasion for 120 Kinder at the age of 3 - 8 years to get to know the Bauhaus Archive and to become acquainted with the ideas of the bauhaus.

Here you learn about the workshop [Bauhaus\\_Werkstatt: Raumlabor](#)
